

BUILDING COMMUNITY SUPPORT FOR ADDRESSING SCHOOL HEALTH ISSUES 101

This packet was compiled by the National School Boards Association's School Health Programs to provide school policy makers and other school stakeholders with a foundation for initiating further research, if necessary, on the policy and practice issues surrounding coordinated school health. It includes excerpts from publications, articles, and more from the NSBA School Health Resource Database as well as bibliographic information, additional resources, and websites.

BACKGROUND

- Code # Document
- 8550** [*Family and Community Involvement in Schools: Results from the School Health Policies and Programs Study 2006*](#), American School Health Association, 2007
