

EXHIBITS GUIDE

WELCOME TO THE T+L EXHIBIT HALL

Be sure to take advantage of this once-a-year opportunity to meet with exhibitors offering the latest and greatest in education technology innovation. For many of these exhibitors, this is either the first or only show at which they exhibit for the education community!

You owe it to your school district to visit the T+L exhibit hall often throughout the conference. We've made it easy for you to do that by offering plenty of exclusive exhibit time each day. Be sure to bring your ExpoCard to enable companies to send you additional information.

You can easily find companies in this program book by booth number, alphabetically or by product/service category.

All exhibits will be in **Hall A of the Colorado Convention Center**. Hanging aisle signs and the floor map in this program book will help you easily navigate the floor.

Lastly, don't forget to pick up an Exhibit Hall Addendum at Registration. There will be a number of new exhibitors that joined the show after this program guide went to print that you won't want to miss!

Exhibit Hours:

Wednesday, October 28 10:30 AM – 4:30 PM

**Exclusive Exhibit Hours:..... 10:30 AM – 11:30 AM; 12:30 PM – 1:30 PM*

Thursday, October 29 8:30 AM – 2:30 PM

**Exclusive Exhibit Hours:..... 8:30 AM – 9:30 AM; 12:00 Noon – 2:30 PM*

Breakthrough Boulevard

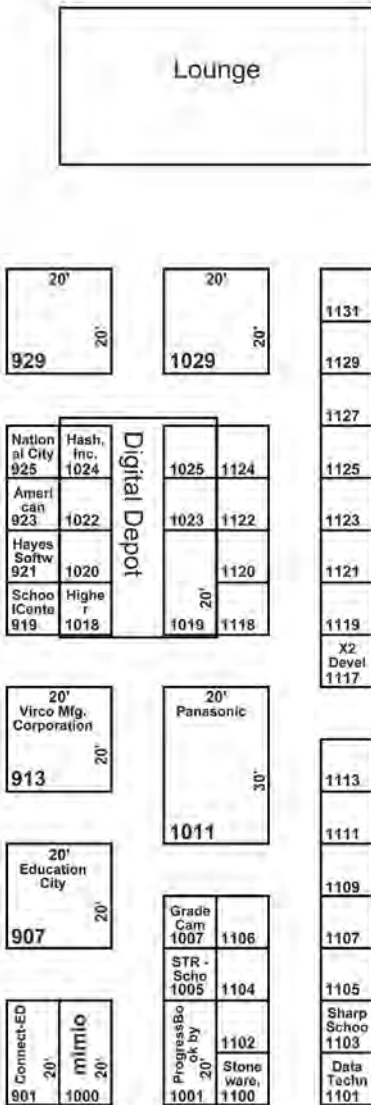

Take a stroll down Breakthrough Boulevard, located in booths 218-225, to come face to face with emerging companies and fresh concepts with some of your existing partners. T+L's exhibit hall is packed with innovative products and solutions, but this area is dedicated to those exhibitors who are either making their debut in the world of education technology or are ready to make a splash with a shiny, new innovation!

Digital Depot

Can't wait to explore all that new technology has to offer? Our Digital Depot participants in booths 1018-1025 want you to take home their latest products today! This is the only place on our show floor where you can purchase new solutions onsite and delve into to all of the fun new options before you even leave the show! Please note that only exhibitors located in this area are able to accept cash or credit cards onsite for your purchases. Elsewhere on the floor, product sales are not allowed.

Special Needs

Many companies offer products and services that assist educators in meeting the challenges faced by their students with special needs. In response to the numerous requests to help attendees better identify the wide array of products and services available for special needs students, this floor plan suggests a "path" you may wish to follow. The booths outlined in bold black represent the companies listed in the categories of special needs as well as any company that has a special needs focus. (Floor plan current as of September 23, 2009)

EVERYONE'S TALKING T+L

Stop by NSBA's Booth #511 in the Exhibit Hall,
and get your very own portrait drawn by our caricaturist.

Caricaturist Hours:

Wednesday, October 28

10:30 am - 4:30 pm

Thursday, October 29

8:30 am - 2:30 pm

Talk to us about how NSBA's Education
Technology Programs can help enhance
your district's achievement.

www.nsba.org

EXHIBITOR PRODUCT CATEGORIES

As of September 23, 2009

The products and services offered by T+L exhibitors are arranged to help you find solutions. The overall list has been organized around broad issues—like “Planning for Technology”—to more concrete things like “Buildings and Their Infrastructure”—to the really specific services like the individual subject areas taught within “The Classroom.” Special areas are categorized for non-curricular services like “The School Administrator” or “Professional Development.”

The entire list of T+L exhibitors will remain on the conference Web site, www.nsba.org/T+L, until next year’s show. The list can be searched in a variety of ways, including grade level, and provides a brief description, contact information, and links to the vendors’ Web pages. As you find a need for various services, consider the T+L page as a place to start your search!
